### Testimonial for Mark Richardson, Kennett Insurance Brokers Ltd

I recently used Mark Richardson's services when renewing my car insurance policy, and was very impressed with Mark's professionalism and approach to doing business.

Mark was very friendly and had a positive, can-do attitude – so much so that it made an otherwise boring chore a pleasant experience. Thank you very much Mark for your excellent customer service.

Our business insurances will soon be due for renewal, and we will have no hesitation in coming to Mark for a quotation.
